# SPIDERS Customer Training

## MT → Container Receipt

3.c.ii) When searching for a Container Receipt there will be a drop down list, Mission ID.

Select the arrow to pull up the list of Mission names then select "View Report".

The screenshot displays the SPIDERS web application interface. At the top, the SPIDERS logo is on the left, and the title "Container Receipt Report" is on the right. Below the logo is a navigation menu with links: Home | About SPIDERS | What's New | Documents | Contacts | Links | Help | User Profile | Logoff. A secondary menu includes: Customer Menu | Search | Utilities | Global Support. A dark blue banner reads "For Official Use Only". The main content area features a "Container Receipt Report" form with a "Mission ID:" label and a text input field containing "1970 - SP #55". A red circle highlights the dropdown arrow on the right side of the input field. To the right of the input field is a "View Report" button. A blue callout box points to the dropdown arrow with the text "Ex: Select '1970 - SP #55'". At the bottom left, there is a "Return to Customer Menu" link. The footer contains another "For Official Use Only" banner and a "Security, Privacy & Accessibility Notice | Contact SPIDERS Support" link.

# ***DLA Deployment Tool Book***

---

---

## **DLA Deployment Tool Book Overview**

### **Full Version of DTB**

### **Custom Generated Version of DTB**

### **DTB Exercise**

# **DLA Deployment Tool Book Overview**

---

---

- ◆ **The purpose of the “DLA Deployment Tool Book” (DTB) is to provide National Stock Number (NSN) level of detail for critical supplies and equipment that are managed by the Defense Logistics Agency (DLA).**
- ◆ **It is intended to provide detailed assistance to deploying or deployed units in obtaining critical supplies and equipment that they need to plan and execute their missions.**

# **Deployment Tool Book Sections**

---

---

- ◆ **The following sections can be found in the Deployment Tool Book**
  - **Section 1 - Overview**
  - **Section 2 - Class I Subsistence**
  - **Section 3 - Class II Clothing & Textiles**
  - **Section 4 - Class III Bulk Fuels**
  - **Section 5 - Class IV Construction & Equipment**
  - **Section 6 - Class VI Personal Demand Items**
  - **Section 7 - Class VIII Medical**
  - **Section 8 - Class IX Repair Parts**
  - **Section 9 - DRMS**
  - **Section 10 - DSCP IBex Partner Profiles**
  - **Section 11 - Points of Contact**
  - **Section 12 - Disaster Preparedness List**
  - **Section 13 - Notes**
  - **Section 14 - Useful Websites**
  - **Section 15 - IBex Global Support Macro Level Summary**
  - **Section 16 - Class III Bulk-Fuel Location and Contacts**

# ***Section Descriptions***

---

---

## **◆ Section 1 - Overview**

- This section contains overviews for many different areas within DLA (e.g. DLA Customer Assistance Handbook)

## **◆ Section 2 - Class I Subsistence**

- This section contains Subsistence catalog and menu information providing NSN details with a focus on Operational Rations

## **◆ Section 3 - Class II Clothing & Textiles**

- This section contains Clothing & Textiles top 50 product group codes, service deployment bag listings, and specialty shops information

## **◆ Section 4 - Class III Bulk Fuel**

- This section contains information on Bulk Fuel products as well as global POC information

# ***Section Descriptions contd.***

---

◆ **Section 5 - Class IV Construction & Equipment**

- This section contains sample information of items managed by the Construction and Engineering Directorate at DSCP

◆ **Section 6 - Health & Comfort Pack**

- This section contains Health & Comfort Pack Type I, II, and III package and NSN information

◆ **Section 7 - Class VIII Medical**

- This section contains information on accessing Class VIII information while deployed, Medical website tools, and POC information

◆ **Section 8 - Repair Parts**

- This section contains information on requisitioning repair parts and POC information

# ***Section Descriptions contd.***

---

---

## **◆ Section 9 - DRMS**

- This section lists suggested deployment NSNs for Environmental and Individual protection (e.g. absorbents, drums, spill kits)

## **◆ Section 10 - DSCP IBex Partner Profiles**

- This section contains all of the IBex partners profiles and POC information

## **◆ Section 11 - Points of Contact**

- This section contains POC information for SPIDERS, Subsistence, C&T, International Produce FF&V, DLA & CSR/LNO Officer Listings, and Outside of CONUS representatives

## **◆ Section 12 - Disaster Preparedness List**

- This section contains a list of disaster preparedness items

# ***Section Descriptions contd.***

---

---

◆ **Section 13 - Notes**

- This section is a blank page for notes

◆ **Section 14 - Useful Websites**

- This section contains websites that will be useful to know while deployed

◆ **Section 15 - IBex Global Support Macro Level Summary**

- This section contains a list of countries (based on which GCCs were selected) and the vendors that support them, including a list of classes supported by each vendor

◆ **Section 16 - Class III Bulk-Fuel Location and Contacts**

- This section contains a list of locations and contacts by country, based on which GCCs were selected

# SPIDERS Customer Training Opening the Deployment Tool Book

4 There are two versions of the Deployment Tool Book available

- a. Full version
- b. Custom generated version

## FULL VERSION GENERATED DAILY

This **Adobe PDF** version of the **DLA Deployment Tool Book** was automatically generated today at 4AM EST. It is the complete and comprehensive set of data at the time of generation and is approximately 200 pages in size (about 2MB).

Download Full DLA Deployment Tool Book (PDF)

## CUSTOM GENERATED VERSION

This **Microsoft Word** version of the **DLA Deployment Tool Book** is a custom generated up-to-the-minute version based on the selected parameter options. Processing time will depend on the selected options, so please be patient while it is generated. The size will vary from 100 to 200 pages (2MB - 5MB).

Select GCCs:  USNORTHCOM  
(List Countries)  USSOUTHCOM  
 USPACCOM  
 USEUCOM  
 USCENTCOM

Generate Custom DLA Deployment Tool Book (MS Word)

# **Information on the two versions**

---

---

## **◆ Full Version**

- This version is an Adobe PDF file. To open this the user must have Adobe Acrobat Reader 7.0 or greater installed.
- This file is a complete and comprehensive set of data and is generated everyday 0400 EST.
- This version is approximately 200 pages.

## **◆ Custom Generated Version**

- This version's number of pages will vary depending on the number of GCC's that are selected. The fewer GCCs selected, the smaller the document
- This version allows the user to customize the document by selecting individual GCCs for the following sections:
  - **Section 15 - IBex Global Support Macro Level Summary**
  - **Section 16 - Class III Bulk-Fuel Location and Contacts**

# SPIDERS Customer Training

## Full Version

4.a Select the “Download Full DLA Deployment Tool Book (PDF)” button.

This will bring up a PDF version of the DLA Deployment Tool Book.

**FULL VERSION GENERATED DAILY**

This **Adobe PDF** version of the **DLA Deployment Tool Book** was automatically generated today at 4AM EST. It is the complete and comprehensive set of data at the time of generation and is approximately 200 pages in size (about 2MB).

[Download Full DLA Deployment Tool Book \(PDF\)](#)

---

**CUSTOM GENERATED VERSION**

This **Microsoft Word** version of the **DLA Deployment Tool Book** is a custom generated up-to-the-minute version based on the selected parameter options. Processing time will depend on the selected options, so please be patient while it is generated. The size will vary from 100 to 200 pages (2MB - 5MB).

**Select GCCs:**  USNORTHCOM  
([List Countries](#))  USSOUTHCOM  
 USPACCOM  
 USEUCOM  
 USCENTCOM

[Generate Custom DLA Deployment Tool Book \(MS Word\)](#)

# SPIDERS Customer Training

## Custom Generated Version

4.b Select the GCCs that you would like then select “Generate Custom DLA

Deployment Tool Book (MS Word)” button.

This will bring up a Microsoft Word version of the DLA Deployment Tool Book.

**FULL VERSION GENERATED DAILY**

This **Adobe PDF** version of the **DLA Deployment Tool Book** was automatically generated today at 4AM EST. It is the complete and comprehensive set of data at the time of generation and is approximately 200 pages in size (about 2MB).

[Download Full DLA Deployment Tool Book \(PDF\)](#)

---

**CUSTOM GENERATED VERSION**

This **Microsoft Word** version of the **DLA Deployment Tool Book** is generated up-to-the-minute version based on the selected parameters. Processing time will depend on the selected options, so please be patient as the book is generated. The size will vary from 100 to 200 pages (2MB - 5MB).

**Select GCCs:**  USNORTHCOM  
(List Countries)  USSOUTHCOM  
 USPACCOM  
 USEUCOM  
 USCENTCOM

[Generate Custom DLA Deployment Tool Book \(MS Word\)](#)

Selecting multiple GCCs will populate Section 15, IBex Global Support Macro Level Summary, and Section 16, Class III Bulk-Fuel Location and Contacts. If no GCCs are selected section 15 and 16 will be left blank.

# *SPIDERS Customer Training*

## **Exercises**

---

---

- ◆ **Create a Custom Generated Version of the DLA Deployment Tool Book**
- ◆ **Select one or more Combatant Commands**
  - **The customized version will limit the DESC Intoplane Contract data and the IBex data to those countries within the selected commands**

# ***Global Support***

**View Country Summary**  
**View Country Detail**  
**Global Support Exercise**

# **“Global Support” Overview**

---

---

- ◆ **The purpose of Global Support is to give users access to OCONUS vendor data from Third Party Logistical providers (3PLs). This capability is also referred to as Industrial Base Extension (IBex)**
- ◆ **Logistical supplies and services information, by country, is offered at “Macro” and “Micro” levels of detail**
- ◆ **Each IBex vendor indicates their level of support and capabilities, by country**
- ◆ **Most of these vendors are currently Subsistence Prime Vendors and have global capabilities**
